	<p>Councillor M Dixon had also advised that Barlborough Parish Council had also looked into providing this type of seating.</p> <p>The Clerk had investigated this further and advised that 'The Friendly Bench' was a 3m x 3m wooden structure with seating configured in a square with heavy duty planters to each corner and that the cost of this was £10,428 plus VAT for each unit. Details and a picture of the unit was circulated.</p> <p>The Council whilst liking the concept of the bench felt that the cost was too onerous, a structure of this size would also probably need planning permission and there would limited areas where it could be safely sited.</p> <p>Councillor Yewman said he was concerned that the design lent itself to being a focus for anti-social behaviour.</p> <p>Councillor Bailey said he was supportive of having more benches for the Parish but felt that the cost of the friendly bench was too much.</p> <p>Several sites were suggested as being suitable for this type of seating as follows:</p> <ul style="list-style-type: none"> - Grassed area next to Lambs Garage - Villa Park - Grassed area outside Domino's Pizza - Grassed area outside of Wilkos - Pavement area next to Mill Street Car Park <p>A discussion took place.</p>	<p>It was moved by Councillor Walker and seconded by Councillor Bosworth to suspend standing orders to allow Mr Shelton the opportunity to formally feedback on the investigative work undertaken.</p> <p>It was moved by Councillor Walker and seconded by Councillor Bailey that Mr Shelton's report be received.</p> <p>It was moved by Councillor Walker and seconded by Councillor Bosworth that the Clerk writes to Wendy Amis at Derbyshire Association of Local Councils to thank her for a well delivered Councillors' training session.</p> <p>It was moved by Councillor Salt and seconded by Councillor Yewman that the Clerk contacts DALC and arranges planning training for Councillors</p>	<p>Agreed All in Favour</p> <p>Agreed All in favour</p> <p>Agreed All in Favour</p> <p>Agreed All in Favour</p>

Approved at Council Meeting held on Monday 10 th August 2020	Council Minute Number	19/2020
Signed as a true and correct record	Councillor R. Walker	

	<p>Councillor Hoy advised that she had researched VE & VJ Anniversary benches that would be a fitting commemoration during this 75th anniversary year. They are costed at £650.</p> <p>Councillor Richards felt that local businesses would probably be able to bespoke design a seating area for a lot less than quoted.</p> <p>The Clerk said he would look into this and report back to a future meeting of the Council.</p> <p>The Chair also asked if Council would consider purchasing new planters and offer free planters and all maintenance to business owners in Clowne.</p> <p>A discussion took place about whether local business should be asked to contribute funding towards the cost of providing and planting the planters as other town centres schemes do.</p> <p>It was suggested that Clowne in Bloom should be invited to a future meeting to discuss their thoughts on this and any other suggestions about how to improve the amenity of the Parish through more floral displays.</p> <p>Councillor Richards said the Clowne In Bloom Initiative is part of the Events Committee's terms of reference so asked for the matter to be considered by that Committee and then reported back to Council.</p>

<p>Mr Shelton advised that none of the agencies involved in parking enforcement can enforce parking restrictions unless there is clear signage erected.</p> <p>It was noted that there would be resourcing issues if asked whether some of the section 106 planning funding allocated for Clowne could be used to help address some of the parking problems he had raised at previous meetings e.g. signage and knee rail on some of the grass verges and open spaces around the Junior and Infant School entrances.</p> <p>A discussion took place and Councillor D. Dixon and Gregory agreed that they would make contact with County Councillor Western, the school and Derbyshire County Council Highways.</p> <p>The Chair thanked Mr Shelton and advised that Council Standing Orders and resumed and that members of the public could not participate until the Parishioners Forum.</p> <p>The Chair also advised that he was aware that East Clune Care Home had been recommended for Closure by Derbyshire County Council following a review of the service.</p> <p>The review concluded that the care home wasn't economical to refurbish however it was noted that the County Council should have planned its maintenance programme more effectively over the years to prevent</p>

	<p>Councillor Gregory advised that the matter of dog fouling on pavements appeared to be getting worse. She advised that she had actively challenge parishioners whose dogs were fouling in this way and she had also marked up with white spray around the dog poop to highlight the problem.</p> <p>Mr Rush said the District Council will and has taken enforcement action against those dog owners that don't clear up after their dogs.</p> <p>He advised that this is inevitably an intelligence led approach; but pointed out that a major issue in terms of being successful with legally enforceable action are that reports from members of the public often lacking detail.</p> <p>Obviously names, locations, dates, times and types of dog are required so the wardens can more effectively target hotspots at the correct day and time.</p> <p>There have been 4 requests for enforcement action in Clowne since April 2019 and 11 requests for signage. Stencilling of 'stop dog fouling and clean it up' messages onto pavements has also been undertaken.</p> <p>The team can issue fixed penalty notices based on evidence supplied by the public and routine patrols are undertaken by the enforcement team.</p>
