18<sup>th</sup> November 2021

Dear Resident,

## **Clowne Christmas Illuminations Switch On 2021 Saturday 20<sup>th</sup> November 2021**

You will probably be aware that each year (apart from last year due to COVID 19) that the Parish Council organises a Christmas Lights Switch on event for the community at the Community Centre and on Villa Park.

Now that restrictions have lifted, we have again organised this event for this Saturday.

Set up will start from mid-morning and the **event starts at 4pm culminating in a 15-minute fireworks display at around 7.15pm to 7.30pm**). The fireworks are being fired by a professional company called 'Fuse Fireworks, that undertake shows all over of the UK. There will be music and children's funfair rides, a magician and of course Santa!

**As such if you have pets then please can you ensure they are kept safe and quiet around this time as there will be some noise as you would expect.**

Our stewards and first aid team will ensure that everyone is kept safe.

Our aim is to provide an enjoyable and safe experience for all, however if you need to contact anyone about the event then please contact myself on the event mobile which is 07477 129093.

Thank you for your understanding and apologies if you are temporarily inconvenienced.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'S. Singleton', with a long, sweeping flourish extending to the right.

Steven Singleton  
Clerk to Clowne Parish Council
